

You chose a Green Key certified establishment!

La Clef Verte is the **leading certificate in sustainable tourism for accommodations and restaurants in France**. This establishment is committed to continuously improve its initiatives for sustainable development by :

- ▶ Training employees on good environmental and social practices
- ▶ Supporting local activities and associations
- ▶ Raising customers' awareness about eco-actions and responsible activities
- ▶ Efficiently managing energy: lighting and energy-saving equipment, reducing energy consumption
- ▶ Efficiently managing and reducing waste
- ▶ Preserving water: leakage control, zero-pollution and water-efficient equipment
- ▶ Responsibly supplying itself in food, beverages and cleaning products
- ▶ Acting to preserve its surrounding environment
